

Early and continued public involvement is the key to the success of any project. Public hearings create an opportunity for the City to share the project's design and development while listening to the public's questions and comments. Our project team is available to respond to your questions and concerns.

## PROJECT WEBSITE

The project website has been updated with the most current design plans, as well as information presented at tonight's meeting. An online comment form like the one provided here tonight is available where the public can offer comments which will become part of the official record for this Hearing. Comments must be received or postmarked by November 30, 2010 to be part of the record.

The project website can be found at:

[www.hillsdaledrive.org](http://www.hillsdaledrive.org)

## PROJECT CONTACT INFORMATION

The Hillsdale Drive Extension Project is being managed by the City of Charlottesville.

Jeanette Janiczek  
UCI Program Manager  
Tele: (434) 970-3309  
Fax: (434) 970-3359  
Email: [janiczek@charlottesville.org](mailto:janiczek@charlottesville.org)

## PROJECT NEWSLETTER

Our Project newsletter, Project Update, was distributed in the winter of 2008 and posted on the project website. At that time we highlighted some of the main events that have taken place and what the projected schedule would be as the project progressed. We encourage you to log on to the project website for all the latest information.

## UPCOMING PUBLIC INVOLVEMENT OPPORTUNITIES

Public involvement opportunities will be advertised on the project's website, [www.hillsdaledrive.org](http://www.hillsdaledrive.org), as well as in the Daily Progress and on the City's website.
