## TRAFFIC ALERT

Effective Monday, March 20, 2017

An Albemarle County Sewer Authority sanitary sewer line improvement has been included in the Hillsdale Drive Extension project. **Flagging operations on Greenbrier Drive will control traffic through March 24, 2017.** Work will focus on testing and tying in new pipe to the existing system between Westfield Road and Route 29.

**A new section of Hillsdale Drive Extension was opened on Friday, February 24<sup>th</sup>.** The existing Hillsdale Drive roadway segment at Hydraulic Road now connects to India Road. This segment of roadway was opened to aid in business access while other construction activities commence.

**Line Drive was closed to travel between India Road and Zan Road on Tuesday, February 28<sup>th</sup>.** Access to six businesses from Route 29 traveling south has changed from the Seminole Court signal to the new Hillsdale Drive segment from Hydraulic Road. Detour signing listing the businesses has been erected on Route 29 and Hydraulic Road directing motorists to turn left onto Hydraulic Road and left onto Hillsdale Drive. A detour map was also created for the businesses and is available on the project's website. Access from Route 29 traveling north remains the same. Reconstruction of the road will take approx. 1 month to complete and reopen.

Speed limit is posted at 25 MPH – please drive carefully.
